

Everyone deserves a place to feel safe

Our Primary Care Safety Net clinic offers medical care and social support to homeless individuals with two or more chronic conditions. Through a team of Primary Care Physicians, Nurses, Social Workers, and Community Health Workers we do checkups, treatment for long-term illnesses, mental health and substance use support, employment assistance and housing support for those who qualify.

WHO QUALIFIES

- ✓ People with 2 or more chronic medical / mental health conditions AND
- ✓ Street homeless people
- ✓ People living in shelters
